

The rest of your life begins in five days.

If you have ever thought about picking up a club, either again or for the first time, you can make golf your sport for a lifetime. The Get Golf Ready program is designed to teach you in five short lessons everything you'll need to know to step onto a golf course and play with confidence. Lessons will include on-course activities guided by trained PGA and LPGA professionals who will make sure you have fun each step of the way.

DAY 1. *Awakening the golfer in you.*
